Future supplier,

If you are interested in becoming a supplier of Profertil S.A. you must complete the initial assessment sheet, send it to the Purchases email address and it will be entered to the list of suppliers to be evaluated. Later you will receive a visit to evaluate some more technical aspects and if you approve this instance, you are already qualified to work with us.

Profertil S.A. works with General Conditions of Purchasing and Contracting, in which it covers commercial guidelines, social security, legal and insurance regulations for contractors and subcontractors as well as basic environmental, health and safety regulations to be fulfilled by the contractor.

The schedule of reception of merchandise is from Monday to Friday from 8 am to 1 pm. The requirement for the entrance with vehicles is that they have the VTV, since the warehouse is within the property. Deliveries in Capital Federal are made in Transporte Mapa SA which is located at Pinedo 50 - Estación Sola - Gate 23 - Barracas - Ph.: 011- 43020077/ 0016

The website www.checkpagos.com is available for uploading your invoice, and to answer questions or queries about payments or purchase orders.
